Now triple-action Eroxin with **EnoSTIM™** comes in an extra strength formula for **DOUBLE** the pleasure, the power, and prowess!

Dear friend,

When I told you that Eroxin with EnoSTIM™ would make every other men's sexual health formula obsolete... I meant it.

But, time has since proven me wrong.

Because, now there's Eroxin ES – a unique, safe, all-natural formulation that outperforms anything you'll find in a drugstore.

And, because extra-strength Eroxin ES delivers **DOUBLE** the EnoSTIM™ of regular Eroxin, you can enjoy *double* the support for:

- Spontaneous, Powerful, Long-Lasting Erections
- The Insatiable Sex Drive of a 20-Something
- Unbelievable Sexual Attraction
- Mind-Blowing Sensitivity and Incredible Orgasms

And, for a very limited time, when you choose the 6-month supply of Eroxin ES, you'll actually get double the strength for less, per box, than a single box of regular strength Eroxin!*

If you thought your sex-life was over, this is the most important news you'll read this year. And if your sex-life was already pretty great, prepare to be amazed.

Because, the powerful, natural ingredients in Eroxin ES go to work, starting from day one, infusing your body with *double* the testosterone boosters, *double* the vasodilators, nerve stimulators and brain activators.

After a 4-week study of **EnoSTIM™**
THE RESULTS ARE IN!

- ✓ 71% of men said they recommend EnoStim
- ✓ 66% notice better, more satisfying erections
- ✓ 58% feel more confident about their sexual prowess

Get **DOUBLE** the sexual strength when you order today!

“Eroxin has exceeded what I was expecting! Only been using a few days and already having BIG results. Eroxin is just what’s needed in a field that is full of fake products. It does live up to its claims!”

–Richard P, AL

And, because you take it like a daily multivitamin, you're always confident, ready and able to perform – never waiting anxiously for a pill to “kick in”.

You've already seen what Eroxin with EnoSTIM™ can do... now feel double the sexual power, double the drive and double the sensitivity at an incredible, limited-time savings.
