Dear friend,

Hemp Chucks has the competition running scared. Because the all-natural, full-spectrum hemp extract in **Hemp Chucks** is better and tastier than all of their products combined.

Full-spectrum hemp extract works with your body's natural endocannabinoid system (ECS), attacking pain right at its source... snuffing it out before it can even say, "Ouch!"

And for a very limited time, you can secure a full 30-day supply of 5mg Hemp Chucks for just \$9.95 – you save 75% off the regular \$39.95 price!

Here's how it works...

Order a 30-day supply of 5mg **Hemp Chucks** today, for just \$9.95, and we'll enroll you in our FREE autoship program. Then, in about a month, we'll charge the credit card you use on today's order and send you a new 30-day supply for just \$29.95.

That means, you save 75% today. And you'll save 25% a month – every month – until you tell us to stop. There is no minimum purchase requirement, no cancellation fees, and no strings attached.

Or you can get DOUBLE the Hemp Chucks power for just \$5 more!

Choose the 10mg strength **Hemp Chucks** and today's order is just \$14.95. *That's a whopping 75% off the regular price of \$59.95.* Then, as an autoship member – month after month – we'll send you a fresh 30-day

supply of 10mg strength **Hemp Chucks** for just \$39.95... and you save 33% off the regular price, every month, for as long as you're enrolled. **PLUS:**

-  You'll never run out of delicious, pain-relieving Hemp Chucks – no calls to make, orders to place, or stamps to lick.
-  You'll be locked in at the lowest price we've ever offered – the price is guaranteed never to go up as long as you're enrolled in autoship.
-  You can call to cancel your autoship enrollment at any time – there are no minimums, no penalties, and no strings attached.
-  Shipping is always FREE – an additional savings of more than \$95 a year.

So don't delay! Save 75% today and lock in your savings of up to 33% – every month – when you stock up on Hemp Chucks, nature's most powerful pain reliever.

Sincerely,

Dr. Gregory Smith
