

Discover the delicious taste and weight loss benefits of the World's Healthiest Coffee™! It Brews Like Coffee, Taste LIKE TEA!

Is healthy weight loss just one delicious cup'a joe away?

[✓] Yes! Please send me FREE samples of Tavern Café Green CoffeeTea. I understand that each smooth, delicious cup delivers the targeted natural power of unroasted green coffee beans and legendary red reishi mushroom to help:

- Kick-start my energy, metabolism and burn off stored fat
- Slow the absorption of fat from the foods I eat
- Balance my appetite and support healthy blood glucose levels
- Super-charge and protect my immune system

I'll pay just \$0.99 for shipping and handling with no further obligation of any kind.

OR, if you take your weight loss efforts seriously, let us send you a 1–3 month supply of Tavern Café Green CoffeeTea.

Choose from one of these exciting, money-saving options:
