TASTE THE DIFFERENCE

Dear <<First Name>>,

I hope you're enjoying your Tavern Café Green CoffeeTea—the world's healthiest coffee™.

Did you know that each and every sip delivers youth-enhancing antioxidants, metabolism boosters, fat burners, and immunity builders?

It's true! No other coffee in the world can do what Tavern Cafe Green CoffeeTea does.

Plus, it's so delicious, you won't need the added calories of cream and sugar—they can add an extra 69 to 207 calories, or more, per cup!2

That's why I'm writing to let you know that you can keep losing weight, balancing your blood sugar and strengthening your immune system for just \$.51 a day, when you choose a three-month supply today.

That's a full 20% off the regular one month price. [We'll even pay the shipping for you!](#)

You'd pay more than quadruple that at Dunkin Donuts and eight times as much at Starbucks. But NO other coffee in the world can do what Tavern Café Green CoffeeTea does—not at any price.

With the holidays just around the corner, it's important to remember, 75% of the

weight we gain, all year, is during the holidays

So, why wait? Instead of packing on the pounds, you could feel those extra pounds melt away, almost effortlessly, with each morning and afternoon cup. You can start each and every day with a satisfying, invigorating brew without worrying about harmful stimulants...or afternoon energy crashes.

Do something healthy and delicious for your mind and body.

TASTE THE DIFFERENCE

Dear <<First Name>>,

Last chance to score The World's Healthiest Coffee™

Did you know that 75% of Americans' annual weight gain takes place around the holidays? It's true. And we both know that those pounds are hard to lose.

When we trademarked Tavern Café's Green CoffeeTea as the world's healthiest coffee, we weren't messing around.

Not only did we create a smooth, satisfying and invigorating brew. But each cup can help you shed those extra pounds with ease. Each delicious sip infuses your body with the unique properties and legendary benefits of unroasted green coffee beans and Asia's Red Reishi mushroom—it's the only brew clinically shown to help:

- Kick start your energy and metabolism, burning off stored fat
- Slow the absorption of fats from the food you eat
- Calm your appetite and promote healthy blood glucose levels
- Super charge and protect your immune system

No other coffee in the world can do what Tavern Cafe Green CoffeeTea does.

And if you order right now, we'll send a fresh 30-day supply, right to your door, for \$18.95...that's just \$0.63 a day (a little more for K-cups).

You can't get a decent cup'a Joe anywhere for less than a dollar. You'd pay more than double that at Dunkin Donuts and four times as much at Starbucks.

But, please don't wait. We can't offer a brew this powerful at this price for very long.

So why wait? For just pennies a day, why wouldn't you go for the only coffee that can help you drop pounds, balance your blood sugar and help you look and feel like a 20-something all over again?

Call 800.480.3582 or [Visit this link and learn how you can save up to 20% AND take advantage of FREE SHIPPING. Order now!](#)
